THE STORY SO FAR

KURATA ICHINA IS A 2ND YEAR HIGH SCHOOL STUDENT. THIS SUMMER, AFTER HER FRIEND-TURNED-BOYFRIEND, SEKIYA, BROKE UP WITH HER, HER MOTHER, YOUKO, ENDED UP BRINGING HOME HER CLASSMATE, NUKUI. HE HAS A STEP-MOTHER AND SISTER AT HOME, BUT HE STARTS RENTING A ROOM AT THE KURATA HOME INSTEAD OF LIVING WITH THEM. ICHINA FINDS OUT THAT HER FATHER WAS NUKUI'S OLDER BROTHER, KOUICHI. HE WAS DISOWNED BY HIS FATHER AND KOUICHI ENDED UP FOLLOWING AFTER IN SEARCH OF YOUKO, PREGNANT WITH HIS CHILD, BUT WAS NEVER SEEN AGAIN.

AT THAT TIME SEKIYA FEELS THE NEED TO CONFESS HIS FEELINGS FOR ICHINA AND RECONCILE WITH HER, LEAVING ICHINA FEELING UNSURE. FEELING IMPATIENT AND DISTRESSED, SEKIYA ENDS UP FORCING HIMSELF ON ICHINA. ICHINA THEN REALIZES SHE REALLY LIKES NUKUI, SO SHE DECIDES TO BREAK IT OFF WITH SEKIYA.

NUKUI ATTEMPTS TO END LIVING WITH ICHINA, POINTING OUT TO HER THAT GOOD WILL IS NOT LOVE. AGITATED BY HIS WORDS AND DEMEANOR, ICHINA TELLS HIM HE WAS JUST LOOKING FOR A MOTHER. NUKUI FLIES INTO A RAGE...?!

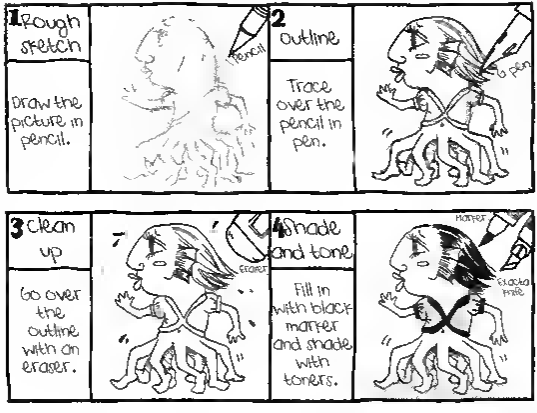
Doodles 1

General manga pictures are a process like the following here.



Draw in pencil till you're satisfied then outline in pen.
Doodle a picture of yourself or someone else.
I doodled a little for about an hour.
Come to think of it, I doodled other people till I came up with the Ichina-chan of today.

NOTE. I drew rough drafts till the very end.

Cherry Tree Viewing

I love cherry tree viewing. I love saying it too. Every year when I was in high school I'd go cherry tree viewing. I've been invited to do that for many years now. For a year or two I haven't gone though. When I drew chapter 22 I added a cherry tree viewing season. However, it's not a good idea to go to a convenience store to copy the storyboard. While I smoked a cigarette in the neighborhood park I looked over the cherry trees. I didn't enjoy it much though. The blossoms were small that year in 2004 and people were drinking alcohol under the trees.

Manga Notes

The other day I had wanted to discover a large amount of manga notes (I drew them in pencil) that I'd drawn. Anyways. I'll just give you the titles

- "El Salvador Book Country" (1st-2nd grade, 2 volumes, unFinished)
- "I am Nyanko" (3rd-6th grade, 3 volumes, unFinished)
- "Sakura Rice cakes For May Chimaki" Changed the title midway through to
- "May's Earth" (6th – 9th grade, 4 volumes, Finished)
- "Heaven and Hell" (6th grade, 1 volumes, Finished)

When I include other pages I left out I'd have even more manga notes... Yep, they're dumb manga.

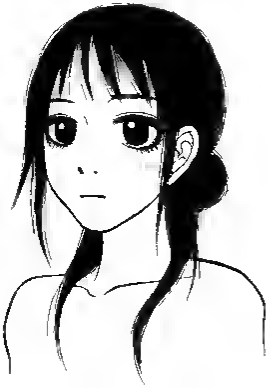
Doodles 2



Ms Maiko
This picture leans more towards the modern Ichina-chan. She gives the feeling of a strong will. Nice dark-eyes too.

Miyata-kun
She looks the least like Ichina-chan. There's no shame in mistaking her for a princess with her beautiful hair and delicate eyes.

Shan-chan
The heroine Ichina-chan character in a shounen manga. Until her selfishness kicks in. (laughs) She's the type who wants to be feminine but could you live with her?

It's verbose,
but all my drawings are rough sketches.
Until this point it's a different picture...

Silent Clothes

The other day I sorted through all the clothes in my bureau and my closet
I threw away everything and anything that was worn or I didn't like anymore. I had clothes in my closet that I hadn't worn in a long time
I filled the trash with like nine things
The reason I did this was because I couldn't fit the clothes I do wear in my bureau or closet
Some of the clothes I had I thought I threw out three years ago, but I still had them after all

There was one dress that I couldn't bring myself to throw out

I don't think I'll ever wear it again but it's just so cute

Effeminate Man

While there are men in the world there are also pretty "effeminate men" whose action, manners, speech, etc. are more feminine than women. In chapter 24 here Miyata-kun quickly jumps in to assist and he is one of these effeminate men. He is a tall, fit and lean man, but somehow he comes off more feminine. He pins his long hair, sits properly, and wears a stuffed dog on his head and works more diligently with flowers than any woman. I thought that sounded quite nice. I want to follow his example.

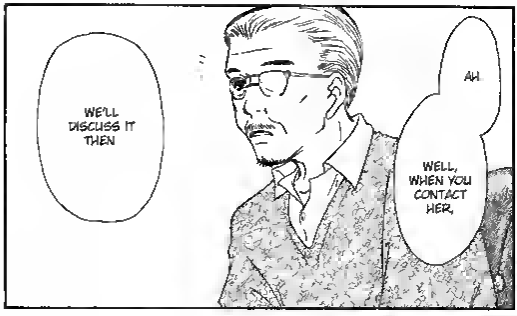
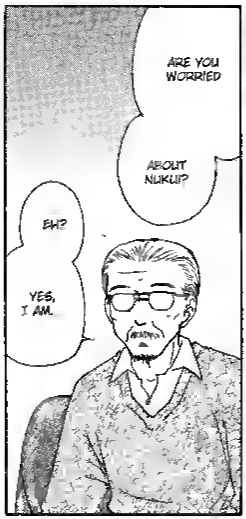
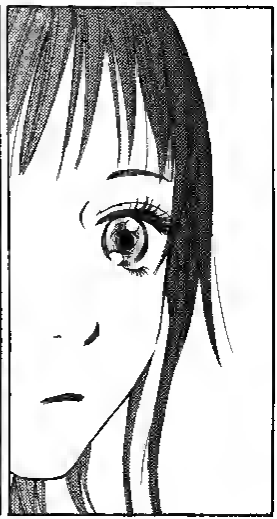
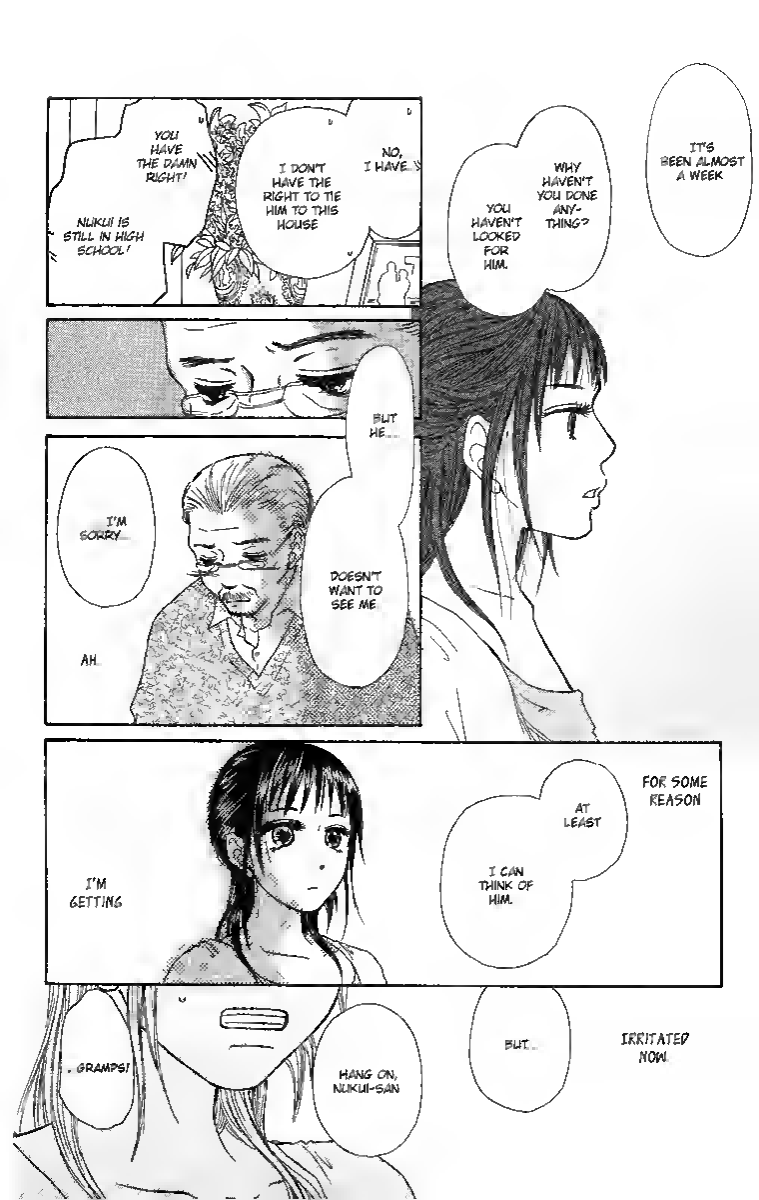
The "Tokyo Ann" Era

"Tokyo Ann" serializes on pg. 165. I wrote it when I was still in high school. At that time my first kogyaru boom was ending. That's what a fashion trendy teen-ager was called a "kogyaru". I wrote this story with the intent on making it a serial based on a high school girl. Following that the "Kogyaru game" became a hit in Mascot Comics. (Loose socks also became popular.) It's stayed there for quite a while. The word "kogyaru" is now an obsolete word. The word "high school girl" has expanded on that meaning now. I guess it's continuing on still. Well, it's been a long time since I read "Tokyo Ann." It made me feel strange thinking back on it.









IT'S BEEN ALMOST A WEEK
WHY HAVEN'T YOU DONE ANY-THING?
YOU HAVEN'T LOOKED FOR HIM.

YOU SAW SHE WAS ONLY 13, RIGHT?
AH TOMOMI-CHAN SIT HERE
EH? YEAH...
DID YOU SEE THE MORNING NEWS, TOMOMI-CHAN?

FGSCANS.BLOGSPOT.COM

What do you think of the reaction by those girls?
"HER CLASSMATES ALWAYS THOUGHT SHE'D COMMIT SUICIDE, BUT THEY ACT TORTURED AT HER FUNERAL AND CRY AS A GROUP. I THINK IT'S ALL FOR SHOW."
I THOUGHT OF SAYING THAT
BUT ERIKIN ALSO COULDN'T STOP CRYING.
WAH
